Great Results Guarantee

Under this agreement for 2014
Monto State School will receive

$25,188

This funding will be used to

- Increase the percentage to students meeting the NAPLAN National Minimum standards in year 3 for Reading Writing and Number to 100%.
- Develop individual learning programs for students identified below National Minimum Standards.
- Develop and implement programs that increase the percentage of students in NAPLAN achieving the upper two bands.
- Increase the percentage of students with disabilities who are achieving their individual learning goals.

Our strategy will be to

- Master Explicit Instruction practices with all teaching staff through observation, coaching and feedback.
- Collect and analyze student data sets every 2-5 weeks to develop individual student literacy and numeracy learning goals and implement high yield teaching strategies.  
  Evidence Base
  Archer, Anita & Hughes, Charles - Explicit Instruction
  Hattie, John - Visible Learning for Teachers

Our school will improve student outcomes by

- Purchase recognize quality resources that support differentiated, multi-age teaching and include diagnostic assessment, student-tracking tools and individualized/leveled learning experiences. $11,000
- Building teacher capacity in explicit teaching through professional development opportunities and the purchase of an "explicit" whole school Guided Reading Scheme. $7000
- Increasing Teacher Aide hours to assist with maintaining and expanding existing learning support programs and improve classroom support across the School. $7000
